

MEET THE TEACHER

Mrs. Lulu

Hello family. Welcome to the Dolphin Room! I am very excited to have you this school year and can't wait to teach, learn, play and explore with you. In my life, it's God and family first. I have been married for three years and my husband and I have a total of six kids and one grandbabe. I have a great love for sharing God with children and others through songs and prayers. With that said, we are going to have an exceptional school year together. See you in August for lots of fun and laughter!!
